

The HIGHLANDER

ATV SERIES

An Aluminum Trailer Product Brought To You By C&B Quality Trailer Works, Inc.

Our aluminum ATV trailer is 7' wide and comes in various lengths. This trailer is equipped with a 2" coupler and 2k top wind jack.

With 13" radial tires this trailer has a deck height of just under 27" off the ground for the easiest of loading.

The ATV package includes a 66" long 13" wide aluminum tri-fold ramp with holder and an 18" wide, 18" deep, and 48" long aluminum tool box. Spare is optional.

This trailer is complete with seal beam DOT lights, tie downs, and a slotted treadbrite deck to provide easy water run-off.

Rub-Rail and Stake-Pockets now standard.
