

OUTBACK

Series

An Aluminum Trailer Product Brought To You By C&B Quality Trailer Works, Inc.

Some standard features include 2" coupler, Bull-dog jack, 3500lb axle with 15" wheels and radial tires.

Aluminum diamond plate package is standard and includes front panel, fenders, steps and tail light gussets out of treadbrite.

Each trailer has 32" sides and 2"x 8" kiln dried Douglas Fir flooring.

Also included is a removable 48" expanded metal ramp gate for easy loading.
